

HAIR BEAUTIFIER

DEEP RESTORATIVE TREATMENT

One treatment, endless possibilities. Our professional Deep Restorative Treatment is designed to bring dull, damaged hair back to its pristine condition with added smoothness and frizz reduction. Proteins and our Roccoil Xotic Oil Complex provide a superior level of reconstruction while encouraging naturally thicker, fuller, stronger hair from the inside out.

FOR PROFESSIONAL USE ONLY

Size: 32 fl oz (946 ml)

KEY INGREDIENTS:

🔸 Roccoil Xotic Oil Complex 🔸 Collagen 🔸 Vegetable Protein 🔸 Keratin Protein
🔸 Lanolin

APPLICATION STEPS:

1. Wash hair twice with Rocco Donna Clarifying Shampoo.
2. Towel dry hair.
3. Section hair into 4 parts.
4. Apply our Rocco Donna Hair Beautifier - Deep Restorative Treatment with a tint brush onto ½ inch sections of hair starting ½ inch away from the scalp.
5. Continue until all sections are saturate with product and distributed evenly through to the ends (NOTE: Do not apply directly to scalp. Remove excess with a fine tooth comb).
6. Let the treatment set for 35 minutes for fine/color treated hair, 40 minutes for medium/coarse hair and 50 minutes for virgin/curly/resistant hair. For best results, place under heat for recommended exposure time stated above.
7. Rinse hair completely.
8. Apply the Rocco Donna Ultra Nourishing Mask for 10 minutes, then rinse again but do not shampoo.
9. Blow-dry hair until 100% dry.
10. Flat iron ½ inch sections about 10 times per section at 350-450 degrees depending on hair health, thickness and texture. (350 degrees for fine to medium hair and 450 degrees for medium- coarse hair).
11. Clients may wash hair at any time after the treatment using the Rocco Donna Sulfate-free Moisturizing Shampoo and Conditioner. Finish by applying our Rocco Donna Radiance Hair Serum to restore shine and natural elasticity.
