

SCALP STIMULATOR

EXFOLIATING PRE-TREATMENT ELIXIR

What's the real secret to healthy hair?

Healthy hair starts with a healthy scalp! Prep the scalp with the Rocco Donna Professional Scalp Stimulator - Exfoliating Pre-Treatment Elixir, which gently exfoliates, removing build-up around the hair follicles and stimulates circulation for hair growth and stronger roots. Natural Jojoba, Argan, Lavender and Sunflower oils moisturize to balance pH levels and reduce excessive oil production by the scalp. Vitamin B5 and Soy Proteins promote thicker and improved hair texture.
